Message from the Conference

As many of you have heard, Lynn, our Conference Minister, will be going on Sabbatical starting on June 8th. This will be a time of much needed reflection and rest for her that will go through the beginning of September. Did you know that Lynn is now the longest serving Conference Minister in the entire United Church of Christ? We are so grateful together for the continuity she has brought all of us, and the relationships she has developed among us over the years, and for her continuing passion for her ministry among us!

I will be covering for Lynn's responsibilities this summer, along with our wonderful staff of Jackie and Elise. I look forward to the opportunity to meet with a number of the groups Lynn interacts with. And please know that if you normally contact Lynn with questions or concerns, I would be glad to hear from you. I hope you understand as well that I will not be able to do everything that Lynn normally does, and that there will be Conference meetings and events in our churches that I will not be able to get to.

There are some ways that you can help me if you wish. First of all, pray for Lynn and I during this time. Secondly, in our weekly Ekit, Lynn and I usually swap off writing a Message from the Conference. I think it will be pretty boring to listen to me all summer, so we will be inviting others to share messages as well. I think it will be fun to listen to some different voices!

Also, I am looking for people who might help me if there is some major political or social crisis that happens this summer in our country. Our Conference has a long tradition of speaking and acting prophetically in those moments, and Lynn has written some powerful letters to the media and public on our behalf. I am looking for people to be part of a rapid response team that would help me and the Conference respond if there is such an event. We would do this in consultation with Peter Plagge, who is our Moderator and chair of the Board of Directors. Let me know if you would be interested in being on that team.

Faithfully yours,
Paul

VIA is Calling All Clergy!

Please show your support for the campaign to pass Prop 2, "Abolish Slavery VT."

Passing Prop 2 means we will amend the Vermont Constitution to

abolish slavery, no exceptions. The campaign will give you ways to further the **resolution** that we passed at Annual Meeting earlier this year. As a start, Vermont Interfaith Action requests that you set aside Sunday, June 19 (the Juneteenth holiday) as “Abolitionist Sabbath” during your worship service. To help you plan the service, and to obtain pledge cards so folks can commit to voting in favor of Prop 2, please see our online **Abolitionist Sabbath Tool Kit**. If you need assistance, contact debbie@viavt.org or (802) 310-4625.

A Personal Note in Response to Uvalde's School Shooting - Fred Meade

Dear children of the world

It's not supposed
to be like this.

After hearing the news of the mass murder of students and teachers in Texas, many of us will experience a range of reactions. This is especially true for children.

Reactions may include emotions (sadness, anger, shock, fear, etc.), changes in thoughts (difficulty concentrating, repetitive thoughts of the situation), physical reactions

(feeling sick, headaches, not sleeping well, etc.) and behaviors (returning to older behaviors such as bedwetting, needing physical closeness with parents, fighting more, etc.).

Traumatic events often lead people to feel they have lost control of their sense of safety.

Here are resources on how to help children cope with the frightening news and their reactions:

- [Talking with Children About Traumatic Events](#)
- [Talking to Children About a Shooting \(from nctsn.org\)](#)
- [Children and Trauma](#)

We hope these resources provide a source of comfort and support during this difficult time.

Rev. Caryne Eskridge, Pastor of the Weybridge Congregational Church has also provided an extensive and incredibly comprehensive resource to help children at this deeply troublesome time. We thank them immensely for sharing it with us.

STATEMENT FROM GUNSENSE VERMONT ON THE ROBB ELEMENTARY SCHOOL SHOOTING

Today we mourn the deaths of 19 children and 2 teachers in Uvalde, Texas. It was the deadliest school shooting in the state's history, nearly the worst in U.S. history, and it was the second mass shooting in America this week. Our deepest sympathies go out to the families that lost their children yesterday and to the communities reeling from senseless and unfathomable loss.

A horror like yesterday's massacre brings the reality of gun violence to our hearts and minds in technicolor. But it is not just yesterday or last week. Our hearts break for the 110 people who lost their lives to gun violence each day in 2020- the majority of them Black and Brown young men. We grieve for

those families and neighborhoods as well.

In our gun-obsessed culture, we have prioritized the right to have unfettered access to firearms over the lives of our own children. We no longer live in a free country - freedom is the expectation that you can send your kids to school, or the store or down the block and know that they'll return home safely each day. Today, no parent in America has that certainty.

This is not normal. It does not have to be this way. No other developed country comes close to this level of gun violence. And no other country comes close to allowing guns to be purchased and carried with as few restrictions as this country does.

What will be the result of 19 more innocent children shot dead in their classrooms? The answer will be not nearly enough unless we finally hold our elected leaders accountable and demand change. Each and every one of us has a part to play in ending gun violence and the only way to honor these victims is through actions, not words.

Robb Elementary School could be any school in Vermont. Tops Friendly Markets in Buffalo could be your local grocery store. The time for passive activism is over. All of us are responsible for taking action and demanding change.

What You Can Do:

- **Volunteer**
- **Contact lawmakers and demand action**
- **Educate yourself on the issues**
- Raise awareness and engage others to speak out
- **Contact us and other gun violence prevention organizations for more ways to get involved**

Our Neighbors in Western New York

On Saturday, May 14, 2022, a gunman entered a Tops Supermarket in Buffalo, New York, killed 10 people and wounded 3 others. Eleven of the thirteen victims were black. The store is closed while authorities investigate the crime, leaving the predominantly black community around it without easy access to healthy and affordable food. The area has now become a “food desert.”

In the wake of Saturday’s mass shooting, the **Community Foundation for Greater Buffalo** has created two funds to support the community financially.

To provide aid to those directly impacted by the massacre, donate to the **Buffalo 5/14 Survivors Fund**.

To address immediate community needs, long-term rebuilding, and systemic issues that have marginalized communities of color, donate to the **Buffalo Together Community Response Fund**

This information came to us from the Episcopal Diocese of Western New York.

PLEASE consider making a donation to one of these funds.

VERMONT INTERFAITH POWER AND LIGHT!!!

CONGRATULATIONS!!!

Summer Lunch Grants
Available Again This Year!!!

It's that time again...time to sit down with your Mission people and think/talk/plan how your church can help hungry kids in the summer months. All schools provide free or reduced priced lunches for qualified children and many also provide breakfast. This provides relief for the families of these children for most of the year. But summer time can be a stressful time on families' resources and many children go hungry. Is your congregation participating in a Summer Lunch Program in your town? If not, then do you want to help feed hungry children in your town in the summer months?

All of your questions about summer lunch programs should first be directed to The Vermont Campaign to End Childhood Hunger at www.vtnohunger.org. The staff members there are working with community and/or church members in most towns in Vermont to establish or maintain/augment summer lunch programs.

Secondly, contact the Vermont Conference, Department of Justice & Witness, Summer Lunch Grant Coordinator Mary Lou DeCosta (colchsummerlunch@aol.com) and she will give you advice and recommendations gleaned from 35 Vermont UCC congregations who participate in Summer Lunch Programs. Malletts Bay has begun fundraising by taking a special "Rice Bowl" offering. It seems that there are more people than ever that are in need of nutritious food in the summer. An application form for a summer lunch grant is attached. Forms must be received by May 30th.
