## Message from the Conference

Friends of the Vermont Conference,

I wanted you to know about an upcoming Vitality Event in our Conference! On Saturday, March 11<sup>th</sup> from 10-3, the Rev. Dr. Patty Kogut will be coming to lead a seminar on "How to be a Vital Church in a Post-Pandemic Age." Patty is an Associate Conference Minister in the Southern New England Conference, and she also led a vital church for decades. I have known her for many years, and know that she has much to bring to us

The vitality event will be held at the First Congregational Church UCC in Springfield. Those of you who came to the one 3 years ago know what a great space they have! They are providing a delicious lunch for us. We encourage churches to bring teams of at least one pastor and three lay people, since research shows that an event like this has a greater impact if there is a team from a local church rather than just one individual. There will also be a hybrid option, and if you are doing that, we also encourage you to have a team of at least one pastor and three lay people watching together.

The cost will be \$75 per church for those in person, which includes lunch, and \$50 per church for those doing it by hybrid. Those churches coming in person can bring as many people as you want for the \$75 fee. Scholarships are available for those churches that need them-just be in touch with me. Registration will begin on Feb. 1<sup>st</sup> on both the Conference website and on Ekit.

It should be a very special day, and I hope you can join us,

Faithfully yours,  
Paul

***PLEASE HAVE ALL DONATIONS FOR BASIC SUPPORT (OCWM), 5 FOR 5 MISSIONS, FRIENDS OF THE CONFERENCE, THE HOPE FUND, AND PER CAPITA IN BY JANUARY 15TH, 2023. THIS IS WHEN OUR BOOKS WILL CLOSE!***

*Messy Church of the Month:*

**BRISTOL FEDERATED  
CHURCH**

IN BRISTOL, VERMONT

## Congratulations to Bristol Federated Church!

Our Messy Church is located in Bristol, Vermont but is an Ecumenical event including 5 different churches in 3 different towns, representing 4 different denominations. We seek to reach those living in our rural 5 town area of Bristol, Lincoln, Monkton, New Haven, and Starksboro, Vermont. We acknowledge that Messy Church requires a good number of volunteers and the potential to burn out our faithful, but older population of volunteers is very real if we attempt to go at it alone. We are stronger (and reach more people) when we work together.

## DataHub is Open for Yearbook Info!

It's that time again for the UCC to begin preparing the Yearbook & Directory for the coming year. We are deeply grateful for your continued efforts to help us maintain up-to-date and accurate data, especially as 2022 has continued to be a year of pandemic challenges and uncertainty. To best help us prepare for the upcoming Yearbook & Directory, please consider the important items in the sections below.

# *“And Who Is My Neighbor?”*

228th Annual Meeting of the Vermont Conference

*April 28-29, 2023*  
*Grace Church, Rutland*

The Vermont Conferences 228th Annual Meeting will be connecting the dots between creation justice, economic justice, environmental justice, and LGBTQ justice.

Our workshops this year are so abundant they will happen TWICE. Stay tuned for more information!

Our keynote speaker is Bill McKibben (pictured here) whose new book "The Flag, the Cross, and the Station Wagon" was just released.

**“I’m curious about what went so suddenly sour with American patriotism, American faith, and American prosperity.”**

"Like so many of us, McKibben grew up believing—knowing—that the United States was the greatest country on earth. As a teenager, he cheerfully led American Revolution tours in Lexington, Massachusetts. He sang “Kumbaya” at church. And

with the remarkable rise of suburbia, he assumed that all Americans would share in the wealth.

But fifty years later, he finds himself in an increasingly doubtful nation strained by bleak racial and economic inequality, on a planet whose future is in peril.

And he is curious: What the hell happened?"

You can find the book from the sellers below!

## **Estate Planning Presentation**

Everyone has an estate, consisting of everything you own: your car, home, other real estate, checking and savings accounts, investments, life insurance, furniture, personal possessions.

Estate planning is making a plan in advance, naming the people or organizations you want to receive the things you own after you die, and taking steps now to make carrying out your plan as easy as possible later.

**Deppman Law will give a presentation on Estate Planning at 3:30 PM on Wednesday, January 18, 2023 in the Fellowship Hall of the Shoreham Congregational Church.**

While some websites can suggest steps in creating an estate, it is good to have the information from some professionals first hand, and to learn if your own plans should be reviewed. So come and learn from these professionals. This presentation is free and open to the public -- all are welcome and urged to attend.

### Tending the Fire

*Wise, resilient leadership for a changing world*

“There’s no going back to who we were. We have to figure out how to move forward.”

Your church needs your leadership more than ever as we move out of the pandemic, yet the way forward isn’t always clear. As a leader, you face pressure for solutions and plans which are then sabotaged from all sides. How can you discern the way forward and lead your congregation with hope and resilience?

Tending the Fire will teach you how to manage yourself and your church so that you can:

- Be a healthy, non-anxious leader
- Manage difficult emotional relationships
  - Avoid overwork and “underwork”
  - Recognize and handle sabotage
- Discover the “next right steps” for your churches and yourself.

## **New Offerings from Practical Resources for Churches!!!**

### **Tax-Advantaged Giving** Guest Post: Horizons Stewardship

The program year is already in full swing, and soon enough, you will be wrapping up another year of ministry. Now is the time to consider how you will engage your donors during this important giving season by encouraging tax-advantaged giving.

It is true that reducing tax liability is not a primary motivator for giving. However, today's donors are savvy about leveraging their contributions to take advantage of tax deductions. Promoting tax-advantaged giving can help your donors maximize their gift to your church and provide substantial year-end funding for your important ministries.

What are some of the primary ways donors can leverage their gifts and avoid unnecessary taxation?
