## Message from the Conference

Dear Beloved Community in the Vermont Conferenced,

On my heart and mind this week:

Universal School Meals: (from the Vermont Universal School Meals VT website)

Kids have been getting free school meals, regardless of their family's income, since the start of the pandemic, thanks to federal waivers issues as part of the COVID-19 response, followed by the 1-year Universal School Meals Act passed by the Vermont Legislature and signed by Governor Scott in 2022. Schools are reporting that stigma around the school meal program has been wiped out, more students are eating at school, and students are more attentive and ready to learn because they are not hungry and worrying about when they will eat next. **We have an opportunity to make permanent a stronger, more equitable school meal program. Let's make sure that universal School Meals are permanently funded through the Education Fund so that no student has to learn what hunger feels like while at school. (Thank you, Elisa May for making us aware of this need and the need for our advocacy!)**

A Powerful story about voter suppression in the Jim Crow South: This video was prepared by Trinity UCC in Chicago and is entitled "Otis's Dream" about the determined effort by the grandfather of Otis Moss, III, to register to vote:

This would make a good discussion piece for Black History Month. (Thank you Paul Eyer for finding this link!)

In this season of Epiphany, what issue do you feel drawn to bring to light and address with your faith?

In hope and peace,  
Lynn

On January 12, 2023, a coalition of concerned community members from across Northfield and the State of Vermont submitted the attached statement/complaint to Northfield's Town Manager and Select Board. The attached list of links, though not part of the statement itself, provides additional context and background information. If you are inclined to do so, now is the time to contact the [Town of Northfield](#) to voice your individual support, experiences, and/or concerns.

### "Northfield Needs a New Chief of Police"

January 12th, 2023

*A Joint Statement by Northfield Middle High School's Gender & Sexuality Alliance; the United Church of Northfield; Outright Vermont; Rights & Democracy of Vermont; Education Justice Coalition of Vermont; Vermont Student Anti-Racism Network; Vermont Conference of the United Church of Christ; TeachOut Vermont; Concerned Parents, Educators, and Students of Northfield*

Northfield's current chief of police has revealed himself (1) to have a feeble grasp on what the laws and constitution actually mean and (2) to be willing to misinterpret and misapply the laws in order to advance his own ideological agenda.

In 2020, the district attorney of Washington County issued a Brady letter, which called into question Chief John Helfant's ability to faithfully execute his duties. An investigation revealed evidence of Fourth Amendment violations and potential on-duty racist practices, including disparately worse treatment of Hispanic and African American men. It was also revealed that Officer Helfant omitted exculpatory evidence from his statements and failed to activate his body camera when this disparate treatment is alleged to have occurred. Although criminal charges were not brought

against him at the time, he nonetheless has become a less effective officer because his standing in the community was eroded and the DA's office no longer accepts his referrals of non-listed and non-violent crimes."

**BRISTOL FEDERATED  
CHURCH**

IN BRISTOL, VERMONT

## Congratulations to Bristol Federated Church!

Our Messy Church is located in Bristol, Vermont but is an Ecumenical event including 5 different churches in 3 different towns, representing 4 different denominations. We seek to reach those living in our rural 5 town area of Bristol, Lincoln, Monkton, New Haven, and Starksboro, Vermont. We acknowledge that Messy Church requires a good number of volunteers and the potential to burn out our faithful, but older population of volunteers is very real if we attempt to go at it alone. We are stronger (and reach more people) when we work together.

# *“And Who Is My Neighbor?”*

228th Annual Meeting of the Vermont Conference

*April 28-29, 2023  
Grace Church, Rutland*

The Vermont Conferences 228th Annual Meeting will be connecting the dots between creation justice, economic justice, environmental justice, and LGBTQ justice.

Our workshops this year are so abundant they will happen TWICE. Stay tuned for more information!

Our keynote speaker is Bill McKibben (pictured here) whose new book "The Flag, the Cross, and the Station Wagon" was just released.

**“I’m curious about what went so suddenly sour with American patriotism, American faith, and American prosperity.”**

"Like so many of us, McKibben grew up believing—knowing—that the United States was the greatest country on earth. As a teenager, he cheerfully led American Revolution tours in Lexington, Massachusetts. He sang “Kumbaya” at church. And

with the remarkable rise of suburbia, he assumed that all Americans would share in the wealth.

But fifty years later, he finds himself in an increasingly doubtful nation strained by bleak racial and economic inequality, on a planet whose future is in peril.

And he is curious: What the hell happened?"

You can find the book from the sellers below!

### **Tax-Advantaged Giving** Guest Post: Horizons Stewardship

The program year is already in full swing, and soon enough, you will be wrapping up another year of ministry. Now is the time to consider how you will engage your donors during this important giving season by encouraging tax-advantaged giving.

It is true that reducing tax liability is not a primary motivator for giving. However, today's donors are savvy about leveraging their contributions to take advantage of tax deductions. Promoting tax-advantaged giving can help your donors maximize their gift to your church and provide substantial year-end funding for your important ministries.

What are some of the primary ways donors can leverage their gifts and avoid unnecessary taxation?
