Dear Beloved Community in the Vermont Conference,

First, I want to thank you for your generous financial support raised for those impacted by the flood. Several donations have come from church communities that were affected themselves. We have received out-of-state donations from five different states, many of them representing UCC churches.

In order for the Flood Relief Task Force to award funds, please **fill out this form** if your church or one of your congregants is in need of some monetary recovery assistance. If the request is for a congregant, the pastor must be the one filling out the form. Here is the link to the form: **[CLICK HERE FOR FORM LINK!](#)**

We are still actively collecting funds and when we say every dollar counts, we mean it.

Thank you for all of your support! The Task Force will look at applications beginning next Wednesday.

I also want to draw your attention to the terrible fire burning on Maui in Hawaii. Countless homes and businesses have been lost as well as many lives. We who know the cost and pain of disaster can reach out to them in this time of fear and grief. One thing you can do is to use the prayer following this article on Sunday. The prayer was written by

Hawaii Conference Minister Rev. David Popham.
Together, when we respond to the need we are indeed
being the Body of Christ.

Lynn

Prayer for Maui

It came so fast God, relentlessly driven by winds and we were so vulnerable.

Escaping with the clothes on our backs. Lives in tatters. Homes gone.

Businesses gone. Jobs gone. Lives lost. Where do we go to even raise our prayers when our hale pule became a burnt victim to the ravages of the fire?

There is so much loss, so much that one day was there and is now ashes.

Comfort us in our tears and carry our heavy hearts in our time of sorrow.

Eventually Ke Akua, our energy will turn to rebuilding our homes, our businesses, our jobs, our lives. Walk with us during the long recovery that lies ahead. We will become frustrated by bureaucratic red tape and supply chain delays and price gouging. We will fume and shake our fists and we will cry even more tears. Yet, the journey will not be as overwhelming with you by our side.

Bless O God, those fighting these wildfires and those fires yet to come during this dry season. Grant wisdom and insights to our government officials—county and state—as they navigate how best to administer the government response. Lift up on wings our pastoral leaders as they give spiritual nurture to those depleted by these fires.

May we root ourselves in you God, knowing your Spirit groans with ours.

Grant us succor in this time and in the days ahead. 'Amene.

*Hawaiian terms:

Hale Pule - house of prayer

Ke Akua - God

'Amene – amen

Can you spare \$3 to spare three churches?

There are three churches in the Vermont Conference whose ministry in the community will be disrupted without our help due to losses incurred due to the recent flooding.

Those are three entire faith communities that may be disbanded.

Three church families full of people who have chosen each other may be separated.

Don't let these parishes perish.
Every dollar counts right now.

Financial Seminars in West Dover!

If your church is anything like ours, you probably have a good number of folks over 55 which in some circles

qualifies them as “seniors”. After hearing some scary stories of friends who experienced a loss of their spouse and had little or no knowledge about their finances, the ***Loose Knit Group (LKG)*** of the West Dover Congregational Church came up with an idea to help our members be more prepared for such an event. Thus, Financial Seminars were established. One of our church members was a financial services professional who agreed to help us understand financial planning for

the future. He presented his thoughts on how to be “Money Wise”, including budgeting, why to plan financially, the first important steps and how to begin. In addition, he discussed how to protect one’s income, retirement and other topics. Scott then arranged for a local attorney to share his knowledge about wills and trusts. A second session with the attorney is scheduled for March. We hope that this information will prove to be helpful to our members.
