Dear Beloved Community in the Vermont Conference,

Last Sunday I had the privilege of worshipping with the Federated Church of Bristol on the day they celebrated becoming an Open and Affirming congregation of the United Church of Christ. At the conclusion of the service, they hung their ONA flag on their building with celebration and blessings.

What touched my heart the most was the young adults present who had grown up in the church but hadn't been back for a long time. These were some of the LGBTQ+ children of the congregation who felt welcomed back and affirmed as the beloved children of God they are. There were lots of tears, hugs, and happiness. I think their interim pastor, Chris Heinz, and I cried through most of the service.

If you ever find yourself wondering what difference a designation like ONA or a flag could possibly make, I want you to know that for those who have felt alienated from the church and even alienated from God these overt signs of welcome can make all the difference in the world. Of course, it is essential that our welcome and inclusion are genuinely lived by the congregation.

As we begin the season of Lent where we seek to draw closer to God, to open ourselves to changed hearts and changed directions

(the meaning of "repent") let us ask ourselves how we are living our love, living the Good News we have as a precious treasure. Will our changed hearts be the source of new possibilities for those we meet? By our words and actions, will those often alienated from the church and from God hear the Good News of God's extravagant, unconditional love?

With you on the journey,
Lynn

New Workshop #1!!!

The Hope Fund Discernment Team invites you to come be filled with hope during our workshop! We will be inviting churches that have received Hope Fund grants in the past 6 months to share about the exciting things they are doing! We will also explain about how your church can apply for a Hope Fund grant in the future. Please join us for what should be a very special time together!

New Workshop #2!!!!

Indigenous issues and considering land acknowledgments and the UCC history in Vermont with respect to indigenous rights with Rev. Lise Sparrow

HOW TO HELP YOUR CHURCH GROW!

Each church will be asked to bring a team of a Pastor and at least 3 lay people. Each of the above topics will be overviewed, and then each church will choose the two areas they wish to address first. Churches will be clustered in cohorts around these topics for a year of training and coaching. In my experience, the year of coaching helps a church to put the principles of a seminar into practice.

The Hope Fund is funding special scholarships for Vermont Conference churches to participate. We ask for \$100 for your church to come to the seminar (lunch included for all your participants) and \$250 for a year of coaching for your church.

Saturday, March 9 th from 9:30-3 at the
Federated Church of
Williston or online via Zoom.

There is room for ONE more church to sign up for the Paul Nickerson event at the reduced Hope Fund rate! The first three churches that sign up will receive it!

**Urge Congress to prevent
genocide by rejecting military aid**

to Israel and supporting UNRWA

On Feb. 7, Israel **rejected** a cease fire proposal with Hamas that had been negotiated by the United States, Egypt, and Qatar. In doing so, Israeli Prime Minister Benjamin Netanyahu called the proposal “delusional,” and called for the dismantlement of the United Nations Relief and Works Agency (UNRWA),

which provides essential services for millions of Palestinians throughout the Middle East, including in Gaza. PM Netanyahu also said that the war would continue until “Israel is completely victorious.”

Since the escalation in violence on October 7 and the continuing Israeli assault on Gaza, more than 28,000 Palestinians have been killed in Gaza and almost 70,000 have been injured, with thousands still unaccounted for, **according to the UN**. To uphold the Convention on the Prevention and Punishment of the Crime of Genocide, South Africa **argued in the International Court of Justice** in January that Israel that measures must be taken to save lives. On **Jan. 26, the ICJ ordered** that the Israeli government must take measures to prevent genocide and that the provision of humanitarian aid and basic services is required, among other things.

***We were heartened to learn that both of our senators voted against sending financial aid to Israel. ***

Greetings from Horton Center!

My name is Tivvi Pare and I am the Executive Director of Horton Center, the Outdoor Ministries site of the UCC in New Hampshire. Horton Center is an incredibly beautiful place where people of all ages come to rest, rejuvenate, reflect and relax! We have seven weeks of summer camping starting in late June and running through early August. Campers entering 3rd grade

through 2024 high school graduates come for a week at a time to explore their faith, be part of an inclusive Christian community, try new things (rock climbing, archery, hiking, etc!), and make new friends. There are also opportunities for adults, families, and entire churches to come up to our mountaintop "thin" place!

I'd love the chance to connect with you and share more about the opportunities Horton Center holds for you, your youth, your churches and more!

Please complete this form and plan to attend an informational Zoom meeting so that I can meet you and provide more information about camp.

All are welcome at Horton Center!

Shalom,

Happy New Year, I hope you are doing well! My name is Ed Sunday-Winters. I co-chair the NEK hunger council, Today, I am reaching out to you on behalf of the Vermont chapter of the **Poor People's Campaign: A National Call for a Moral Revival**. I am involved with growing and strengthening our VT

chapter of this national campaign, including working toward a major day of action, coming up on Saturday, March 2nd, at the statehouse. I help you will consider helping us lift up and center the voices of those in our community most impacted by poverty. Here is some more details:

The **Poor People's Campaign: A National Call for a Moral Revival** is a nationwide coalition of organizations, people of faith, and diverse individuals directly impacted by poverty who are collectively calling on state and federal governments to address the interlocking injustices of racism, poverty, the war economy, and ecological devastation. Poverty is the 4th leading cause of death in this country, and there are 140 million poor and low-wealth people in the US (almost half the population) who are at, below, or just one crisis away from the "poverty line", while subsidies and policy preferences continue flowing to rich individuals and corporations. We believe you cannot address poverty without addressing the climate crisis, nor can we address systemic racism without addressing the war economy, and so on. It all goes hand in hand.

So we are building a diverse movement to develop the kind of power we need to make real change. Right now, we are building toward a major day of action (March 2nd) that will take place simultaneously at state houses across the country. The event is called the **Mass Poor People's and Low-wage Workers' State House Assemblies** and

To the Polls, and comes 1 week ahead of Super Tuesday, a few days before VT Town Meeting Day, and 35 weeks ahead of the 2024 general election. We are asking organizations, faith groups, unions, and service providers, around the state, to partner with us by supporting this event, and by helping us to mobilize people from your networks to the statehouse on March 2nd.

I hope your organization will consider partnering with us because of the bedrock commitment your work represents in our communities, and because of the deep connection we share in addressing the dignity and rights of the dispossessed, in order to address the health and wellbeing of all. Another key part of the PPC is giving the mic to the poor and dispossessed, and centering the lived experiences, shared by all of us, around poverty and precarity. We have the expertise to change the system, and we must lift from the bottom. If there were someone from your organization who might want to speak at our event in March, or ways that we can lift up the work you are doing, please let us know.

Here is a **partnering form** that spells out what we're asking, in terms of organizational support/partnering. And here's a **short 5 min video** explaining more. And attached are a couple of fliers also describing the event. March 2nd will include a short march to the statehouse (starting at the Montpelier transit center and ending at the statehouse), and the event will be held outside, weather permitting. There will be music, art, food, and speakers. Accessible porta potties onsite, and a warming location for gathering before, during, and after the event.

Let me know if you have any questions. With gratitude and appreciation for all that you do!

- Ed on behalf of the VTPPC

What is the Cost of Using Heat Pumps?

We hear a lot about how the heat produced from heat pumps will help us reduce our carbon footprint, improve air quality, and help fight climate change. Vermont's Affordable Heat Act passed by the Legislature in 2023 is intended to wean us off heating with fossil fuels by helping Vermonters switch their heating from fossil fuel-powered systems to cleaner systems like cold-climate heat

pumps. Churches and homeowners are being asked to make large financial investments to switch from heating with fossil fuels to heating with heat pumps. Before committing to spending thousands of dollars on a new heating system, We need to ask the question:

Do Heat Pumps Save Money?

I'm gathering data from Churches and homeowners who have already installed heat pumps about the cost of their changeover and the operating costs of their new heating systems. Please e-mail me at Jhill2583@gmail.com if you will answer some questions about your Church or home switchover to heat pumps as your heat source and how your costs of operating your heat pump system compare with the cost of heating your building conventionally.

You probably have never heard of me. I have been a member of UCC Churches in the Fair Haven Vermont area for over 20 years, have served on committees in the Southwest Association of the Vermont UCC and currently serve on the Vermont Conference Board of Directors. My intent in gathering data is solely so that Churches and homeowners can make informed decisions about heating system upgrades based on the actual experience of others.

Please indicate in your e-mail if you would prefer to have a questionnaire e-mailed to you or have me call or visit you to ask questions. Your participation is anonymous. Your name and your Church name will not be published in my report.

WEDNESDAY, FEBRUARY 28 TH
2:00PM - 3:00PM.

Dear Vermont clergy and church leaders,
I encourage you to take this class from NEDCA – the New England Disaster Chaplaincy Association. As we approach the 6-month mark after the July 2023 flooding, feelings of fatigue and burnout can

manifest among both survivors and caregivers. This class is focused on identifying and providing self-care strategies.

One of the co-founders is Rev. Fred Meade a UCC minister who has done disaster response since he was a pastor in New Orleans during Hurricane Katrina. He serves on the UCC's Emotional and Spiritual Care in Times of Disaster team.

As your communities continue to recover from the recent floods and severe storms, please don't neglect our emotional and spiritual care, either. If I can be of any assistance, please don't hesitate to contact me – pastor.greg.briggs@gmail.com

As a reminder, the "Light Our Way: A Guide for Spiritual Care in Times of Disaster" that was distributed at the Clergy Convocation discusses both long-term spiritual care and self-care for caregivers. If you didn't get a copy, please contact the conference office for a copy.
